MEMORANDUM FOR: Project Director

SUBJECT: Attached Charts

1. I submit the attached charts for information and such use as they may be with considerable fear that you will use the word Frankenstein as you have on some occasions referring to the TALENT Security System.

2. Nonetheless, it is interesting to note that because of the preparation of these charts over the last month a number of arrangements which I had thought were well understood since they had been registered in writing had either been overlooked by parties concerned or somehow misunderstood. I am sure that some errors will be pointed out even in their present state, which is intended to be perfect.

3. The two pending agreements, one on [REDACTED] and one on IPCs, are now complete, and a memorandum for your signature to General Cabell will be available shortly.

4. I would like to caution that [REDACTED] which is mentioned in Chart 2, is naturally contingent upon a decision to use the plan which has now been accomplished except for signature.
